

TIMEWISE *Miracle* SET 3D

MK has done the work and is always improving their science by building on their long-standing legacy of innovation and their portfolio of **over 1,400 patents!** As part of their efforts as skincare leaders in the beauty industry, they have conducted **5 years of research** on their Miracle Set 3D, where **5,000 women were tested, 150 formula ingredients were evaluated** and **more than 200 clinical and safety inspections were performed.**

AGE MINIMIZE 3D™ COMPLEX

The new 3D formula is designed to give a 3-dimensional approach for better and faster results, with visible improvements for multiple signs of aging in just 4 weeks. This complex provides a blend of ingredients containing both nature and science. To neutralize free radicals and counteract the effects of environmental damage from the past, the present and the future. First, the age minimizing 3D complex contains an age-defying peptide that supports skin's natural collagen and elastin for a more youthful, resilient look. It's comprised of 4 amino acids. Amino acids are the building blocks of protein that work with skin's natural collagen and elastin to contribute to younger looking skin. It also contains an exciting new ingredient, and age-fighting sensation called Encapsulated Resveratrol, which provides triple antioxidant benefits, plus helps promote more even-looking skin tone and supports skin's natural collagen. And lastly, a dual benefit vitamin B3, which is a brightening super power but also works double duty to target the look of uneven skin tone by working as an antioxidant as well.

Defends

Using multiple antioxidants to fight free radicals on the skin, this TimeWise 3D set contains more than double the antioxidant protection for our most powerful, free radical skin defense regimen yet. Plus, it moisturizes for 24 hours to help protect skin's healthy PH balance.

DELAYS

It delays the look of skin aging by utilizing daily SPF 30 broad spectrum UVA and UVB protection. This helps your skin look younger longer. It also contains an exclusive patent pending age-minimize 3D complex. This complex defies the look of premature skin aging, by promoting more even looking skin tone, supporting skin's natural collagen, and also providing additional benefits of luminosity and resilience. This helps to contribute to healthy and younger looking skin.

Delivers

It delivers visible improvement of multiple signs of skin aging in 4 weeks.

94% saw improvement in *resilience*
98% saw improvement in *luminosity*
100% saw improvement in *smoothness*

CLEANSER

As the first step in the TimeWise® Miracle Set 3D™ morning and night routine, this cleanser is formulated to work together with the Age Minimize 3D™ Day Cream SPF 30, Age Minimize 3D™ Night Cream and Age Minimize 3D™ Eye Cream for a lifetime of beautiful skin. This multitasking cleanser removes complexion-dulling impurities and leaves skin feeling clean, exfoliated and looking brighter. It enhances a natural, youthful appearance and prepares skin for the benefits of your next skin care step. Choose the formula that's right for you—normal to dry to soothe skin as it cleanses or combination to oily to remove excess oil without drying.

additional benefits:

- Thoroughly cleanses without stripping skin of natural moisture.
- Cleanses away makeup.
- Leaves skin feeling soft and comfortable.
- Gentle enough for twice-daily use.
- Includes our patent-pending Age Minimize 3D™ Complex.

DAY CREAM

As the second step in the TimeWise® Miracle Set 3D™ morning routine, this day cream is formulated to work together with the Age Minimize 3D™ 4-in-1 Cleanser and Age Minimize 3D™ Eye Cream and complement Age Minimize 3D™ Night Cream for a lifetime of beautiful skin.

This moisture-replenishing cream helps delay visible signs of skin aging. In addition to working as an antioxidant* to help neutralize free radicals on skin as all TimeWise® Miracle Set 3D™ products do, it also provides broad-spectrum UVA/UVB protection. It re-energizes skin's natural, youthful glow and helps improve the look of fine lines and wrinkles. This quick-absorbing cream moisturizes for 12 hours. Skin feels nourished and looks more vibrant throughout the day.

Plus, TimeWise® Age Minimize 3D™ Day Cream SPF 30 includes nopal cactus extract to help support skin's natural moisture barrier. A well-supported moisture barrier helps skin hold water in its uppermost layers. When the barrier is compromised, which is often the result of environmental factors, it can lead to dryness, dullness or even an overproduction of oil in an attempt to compensate for the lack of adequate moisture. That's why all skin types can benefit from maintaining proper moisture levels. Choose the non-greasy normal-to-dry formula or lightweight combination-to-oily formula.

NIGHT CREAM

As the second step in the TimeWise® Miracle Set 3D™ night routine, this night cream is formulated to work together with the Age Minimize 3D™ 4-in-1 Cleanser and Age Minimize 3D™ Eye Cream and complement Age Minimize 3D™ Day Cream SPF 30 for a lifetime of beautiful skin.

This effective, moisture-replenishing cream re-energizes skin's natural, youthful glow and helps reduce the look of fine lines and wrinkles. Applied at night, it goes to work while skin is most able to rebuild its reserves. Awake to skin that looks healthier, rested and more radiant. This non-greasy cream moisturizes for 12 hours. You'll love the improvement you see each morning as skin feels rejuvenated.

Plus, TimeWise® Age Minimize 3D™ Night Cream includes Japanese apricot extract, a powerful antioxidant, for additional free-radical skin protection. Nighttime is skin's opportunity to rebuild its reserves, which can be depleted during the day—the time when it is most exposed to environmental stressors. So an added boost of antioxidants at night can help better prepare for the next day. Japanese apricot extract also supports skin's natural collagen* to help reduce the look of fine lines and wrinkles. Choose the soothing normal-to-dry formula or quick-absorbing combination-to-oily formula.

EYE CREAM

As the third step in the TimeWise® Miracle Set 3D™ morning and night routine, this eye cream is formulated to work together with the Age Minimize 3D™ 4-in-1 Cleanser, Age Minimize 3D™ Day Cream SPF 30 and Age Minimize 3D™ Night Cream for a lifetime of beautiful skin.

This eye cream helps improve multiple visible signs of aging and fatigue, including the appearance of dark circles, undereye puffiness, fine lines and wrinkles. Skin looks firmer as this quick-absorbing cream immediately moisturizes and brightens the eye area. Plus, it maintains moisture in the eye area for 12 hours. You'll see overall improvement in skin's appearance for a more youthful, rested look.

Because the skin around the eye area is very thin and fragile, any damage or distress is more visible, more quickly. TimeWise® Age Minimize 3D™ Eye Cream includes an algae extract particularly beneficial to the eye area. Caring for the delicate eye area is often your first defense for maintaining an overall more youthful appearance.
